THE COMPANY

Roca is a company with 100 years of history, engaged in the design, production and commercialization of products for the bathroom space, as well as ceramic floor and wall tiles for architecture, building and interior design. The company employs over 24 200 workers and has 82 production plants, with presence in more than 170 markets in the five continents.

Roca, the leading brand in the definition of bathroom spaces, collaborates with prestigious designers, architects and interior designers such as R. Moneo, D. Chipperfield, Z. Hadid, Herzog & de Meuron, Schmidt & Lackner and J. Mariscal, among others. It also works constantly to develop and promote initiatives that help to preserve the environment. This commitment is evident in the continuous development of new products focused on the saving of water.

ROCA BULGARIA AD

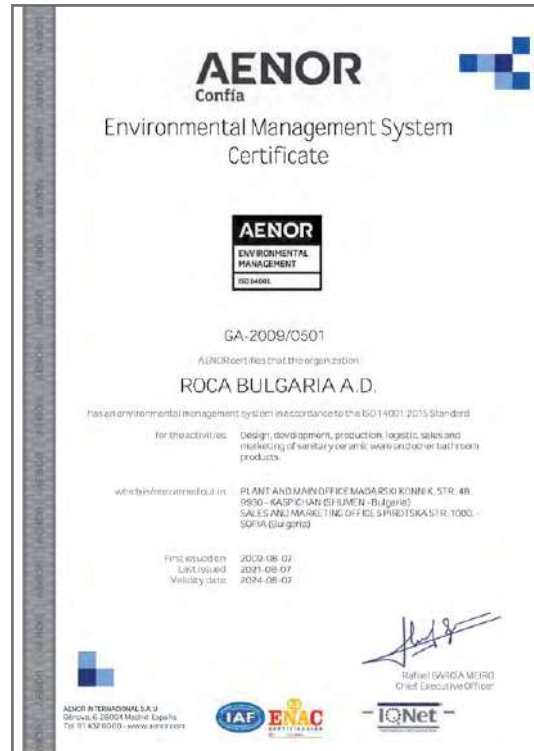

Roca entered the Bulgarian market in 1999 with the acquisition of the factory Fayans in Kaspichan where has its own team, warehouse and stock base. The company makes significant production investments, introduces new technologies, treatment facilities, quality and environmental management systems.

Nowadays, Roca is the largest Spanish industrial investor in Bulgaria, and the factory in Kaspichan, founded in the distant 1919 - one of the most modern in Europe for production of sanitary ware products.

In 2005 the Roca Bulgaria factory in the city of Kaspichan is certified for a Quality Management System ISO 9001:2008, and since 2009 - an Environmental Management System ISO 14001:2004.

Roca Bulgaria AD offers to the Bulgarian market three outstanding brands: Roca, Laufen and Fayans.

ROCA BULGARIA - CERTIFICATES

Washbasin Lara

EXPO BATH SOFIA

Since 2007, when Roca Group opened its **largest corporate showroom in the Balkans**, EXPO BATH SOFIA has become a real **exchange ideas centre**.

EXPO BATH SOFIA is the first place where all products of the three brands of Roca Bulgaria – Roca, Fayans and Laufen are present. What is unique is that the showroom is not designed for trading purposes. The main idea is that everyone is welcomed to come and find inspiration among the products and the innovation technologies and to discover an own style. People are free to ask questions and create their own projects without being pressed to make a purchase.

The exchange ideas center EXPO BATH SOFIA reveals an opportunity **to meet leading architects, to talk to trained consultants**, another opportunity are the trainings for our partners' and distributors' staff. In recent years, the corporate centre of 16, Maria Louisa Blvd. is established as **one of the major cultural venues in the Capital**, and hosted a series of **exhibitions, concerts, theatre performances, various forums and seminars**.

TRAINING CENTER IN KASPICHAN

Roca Bulgaria AD established a unique **Center for training of Water & Drain specialists** from all over the country. The center, situated in the town of Kaspichan has its own qualified instructors and the necessary environment to cover every single aspect of **the design, installation and the maintenance of the water-conduit systems**.

Thousands of specialists consider their training in the center as extremely useful for their work.

FAYANS PRODUCTS

The Fayans brand is a common name for all sanitary ware products for bathroom furniture. Fayans offers not only individual high quality products for bathroom, but above all a complete concept for the bathroom – the clients have the opportunity to purchase complete furnishing in the same style – from the washbasins, close-coupled WC suits to taps, bathtubs or shower trays and shower enclosures, furniture and accessories.

Another advantage of the Fayans approach is that the models created by the company could fit in different bathrooms in terms of their size, including the smallest ones. The company team is proud that the Fayans brand could offer the best quality/price ratio.

FAUCETS

HELIOS-N faucet, HAPPYSMART washbasin

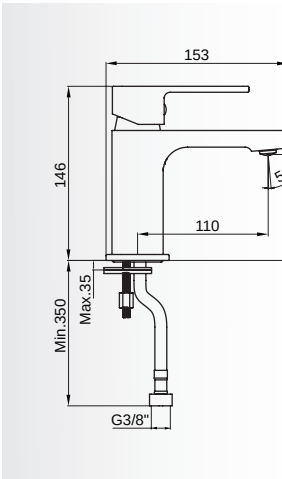

RELIABILITY

The comfortable and ergonomic FAYANS faucets ensure the most reliable usage and a 5-years factory warranty. An excellent choice for your bathroom or kitchen.

INSTALLATION SYSTEMS FOR WALL HUNG WC, BIDET, WASHBASINS AND URINALS

SET ECO COMPACT: MODULE FOR WALL-HUNG WC WITH DOUBLE PUSH BUTTON

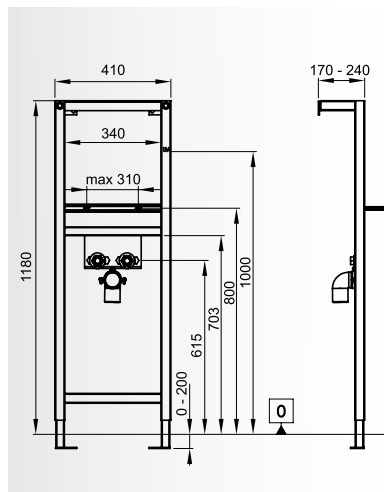

Description of the product	Item Number
Double push-button 3/6 L, chrome shine	WQ5F80400041003
Double push-button 3/6 L, black matt	WQ5F80400161003

Description:

- Height 1125 mm
- Compact width 350 mm

SET ECO SOLUTION: BUILT-IN MODULE FOR WASHBASIN

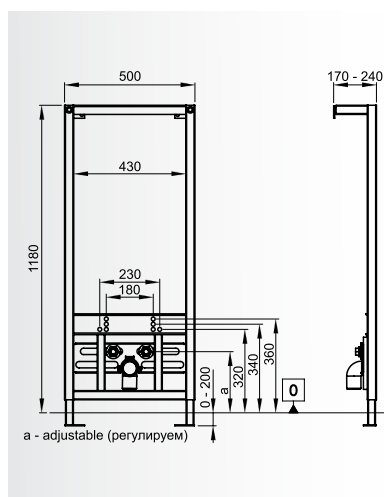

Item Number

WQ1Q00400000002

Description:

- Construction height 1800 mm
- For single hole mixers
- Powder - coated frame construction with wall and floor mounting, 410 mm wide
- Height - adjustable up to 200 mm to compensate RFB - FFB
- Sound-insulated wall bushings $\frac{1}{2}$ " IG x $\frac{3}{4}$ " AG; Brass
- Drainage arc $\varnothing 50$ with sound - insulated pipe clamp
- For all common washbasins

SET ECO SOLUTION: BUILT-IN MODULE FOR BIDET

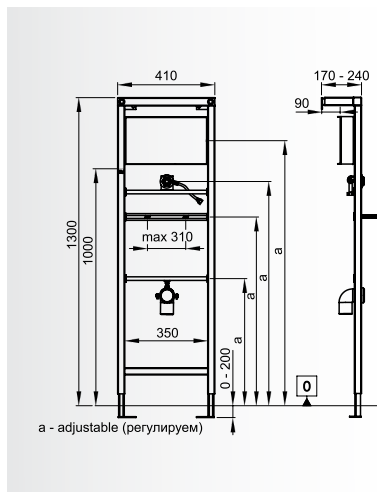

Item Number

WQ3Q00400000002

Description:

- Construction height 1800 mm
- Powder - coated frame construction with wall and floor mounting, 500 mm wide
- Height - adjustable up to 200 mm to compensate RFB - FFB
- Sound-insulated wall bushings $\frac{1}{2}$ " IG x $\frac{3}{4}$ " AG; Brass
- Drainage arc $\varnothing 50$ with sound - insulated pipe clamp
- Complete assembly and mounting material
- For all common bidets

SET ECO SOLUTION: BUILT-IN MODULE FOR URINAL

Item Number

WQ5Q00400000002

Description:

- Construction height 1300 mm
- Powder - coated frame construction with wall and floor mounting, 410 mm wide
- Height - adjustable up to 200 mm to compensate RFB - FFB
- Sound-insulated wall bushings $\frac{1}{2}$ " IG x $\frac{3}{4}$ " AG; Brass
- Drainage arc $\varnothing 50$ with sound - insulated pipe clamp
- With drain elbow
